Basic Navigation in MyHud

Once logged in to MyHud, you will be greeted by the MyHud home page.

On the home page, you can have quick access to the five areas students use most; Brightspace, Library and Summon, My email, My timetable and My attendance.

1. Menu bar runs across the top of the page.

2. Look after your mental and general health as well as accessing general support.

Information about Huddersfood, Team Hud or access to a campus map.

Covers everything you will need to complete your studies.

Your school’s news and events.

Information for International students relating to Visa fees and more.

All things graduation, including Alumni and Postgraduate courses.
