Basic Navigation in MyHud

Once logged in to MyHud, you will be greeted by the MyHud home page.

On the home page, you have quick access to the areas researchers use most; Brightspace, Library and Summon, My email, SkillsForge and Graduate School.

1. Menu bar runs across the top.
2. Look after your mental and general health as well as accessing general support.
3. Huddersfood, Team Hud and the campus map.
4. All things graduation, including Alumni and postgraduate courses.
5. Everything you need to support your academic studies, including progress reports and submitting your thesis.
6. Gain experience in teaching and access your teaching timetable.
7. Record meetings with your supervisor and book training and development opportunities.
8. Specific International Information including Visa support, and more.
