My Health – Click here for more information.

Ask for help to stay safe. Report your safety concerns or speak with an advisor.

Manage your money and explore funding opportunities.

My Hud Student User Guides
My Health

These are some of the things to help to keep you healthy and able to cope with the pressures of University life.

1. Professional support to manage your mental health and wellbeing.
2. A range of help and support available.
3. Free independent confidential support.
4. Search for local NHS Doctors.
5. Register at the University health centre.

Sports fitness and clubs

1. Stay active with fitness classes, court hire and personal programmes.
2. Join a team and compete against other Universities.
3. Join the Students’ Union societies.
4. Discover different cultures on and off campus, from all over the world.
Student Finance

Manage your money and fees. Explore funding options for further study.

- Log in to your student finance account. Access invoices, make a payment or check outstanding tuition fees.
- Funding opportunities for students with disabilities, care leavers or parents who are studying.
- Struggling with your finances, find out more about the hardship fund.
- Purchase concert tickets or conference tickets here.
- Explore loans, scholarships and funding for future study.
- Need specific finance help.
