

# Digital Accessibility Statement for UniBuddy (App)

This accessibility statement applies to UniBuddy (App)

UniBuddy is provided by on behalf of the University of Huddersfield. We want as many people as possible to be able to use this mobile application. For example, you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the mobile application text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

## How accessible this mobile application is

[JISC Accessibility Declaration of Conformance Report](#) has identified the platform as fully compliant with WCA2.1 AA accessibility standard where applicable.
